**Secretary, Local Authority of**

**Notice to Builders and Owners**

Bye-law35

1. Any person who intends to erect a new building or to alter a building shall give to the Secretary of the Local Authority at his office, notice in writing of such intention on an approved printed form together with dimensioned plan and section or a fully detailed description of such intended building which shall show the position, form and dimensions of the several parts of such building; and he shall also at the same time give a description in writing of the materials to be used and of every other appurtenance, and whether the building is to be used as a dwelling house or otherwise.
2. No work in connection with the erection, addition or alteration of any building should be commenced until plans and specifications submitted by the owner have been approved by the Local Authority.
3. After the plans have been approved the owner shall notify in writing the Secretary of the Local Authority of the day on which any work in connection with the building is to be commenced.
4. The building shall be constructed strictly in accordance with the approved plans from which no departure will be permitted. The approved plans should be kept on the premises for reference during the progress of the work.
5. The Secretary of the Local Authority should be notified in writing within fourteen (14) days after the completion of any work in connection with a building.
